

Resolution # 09 – 08

New License Plate Issue with Reflective Paint

WHEREAS the AACP is committed to providing solutions to the prevention and detection of crime and disorder, and;

WHEREAS Alberta is among only a few jurisdictions in North America whose current issue license plate does not incorporate reflective paint, and;

WHEREAS reflective paint assists in the identification of offending vehicles, and;

WHEREAS police services employ automated license reading technology made easier with reflective paint, and;

WHEREAS the Province of Alberta does not currently issue a front license plate, and;

WHEREAS the detection of crime, the identity of offenders and the recovery of stolen autos is enhanced with motor vehicles displaying front licence plates.

BE IT RESOLVED THAT

The Alberta Association of Chiefs of Police call upon the Province of Alberta to advance the issuance of new license plates with reflective paint,

AND FURTHER BE IT RESOLVED THAT

The Province of Alberta consider legislation requiring all motor vehicles to display front license plates.
